

INNOVATE. DESIGN. EMPOWER WITH TECHNOLOGY

COMPANY PROFILE

Otrava Technologies is a trusted Zambian ICT company delivering innovative, reliable, and inclusive solutions. We empower businesses, institutions, and communities to thrive in the digital age through technology that inspires progress and drives impact.

COMPANY HISTORY

Otrava Technologies was founded in January 2024 to meet the growing demand for accessible, modern, and scalable ICT solutions in Zambia and across Africa. From the outset, our mission has been to deliver technology that drives business growth, enhances efficiency, and bridges the digital divide.

In just over a year, we have served over 100 clients across sectors including education, NGOs, SMEs, and individuals—offering solutions in web development, branding, assistive technology, networking, and more. Our journey is driven by a commitment to quality, innovation, and inclusivity.

An Overview

Otrava Technologies is a Zambian-owned ICT company specializing in delivering innovative, accessible, and cost-effective technology solutions.

We serve SMEs, educational institutions, NGOs, and individuals, offering services such as website design, graphic branding, ICT training, networking, and system repairs.

Our unique value lies in blending professional technology services with a strong social mission—empowering underserved communities and visually impaired individuals through digital inclusion.

We operate with transparency, adaptability, and a relentless focus on client satisfaction.

We treat clients
with respect.

VISION

FUTURE CONNECTIVITY PIONEER

To be Africa's leading provider of innovative, inclusive, and sustainable ICT solutions that empower businesses, communities, and individuals to thrive in a connected world.

MISSION

Our mission is to deliver high-quality, affordable, and accessible technology solutions that solve real-world challenges, enhance operational efficiency, and promote digital inclusion.

CORE COMMITMENTS

Craft Stunning, Functional Websites

Build functional and visually compelling websites

Accessible Tech Training for the Visually Impaired

Equip visually impaired individuals with accessible technology training

Reliable ICT Support You Can Trust

Provide reliable ICT infrastructure support

Innovative Branding & Digital Solutions

Deliver innovative branding and digital tools

Adaptability

Designing solutions tailored to specific client goals while staying ahead of evolving market trends.

Multifunctional Expertise

Delivering end-to-end ICT solutions that empower both businesses and individuals to succeed efficiently.

Ethical Innovation

Creating technology that prioritizes accessibility, security, and social responsibility for lasting positive impact.

MAJOR FACTOR

Factors for Success

PROBLEM

Many organizations in Zambia lack affordable, reliable ICT services, leaving them with outdated websites, inconsistent branding, and unmaintained systems.

Additionally, visually impaired individuals have limited access to adaptive technology, further widening the digital divide.

Otrava Technologies addresses these challenges with cost-effective, high-quality solutions.

Society

In Zambia, unreliable ICT services hinder productivity, leaving many organizations with poor systems and weak online presence. Otrava Technologies delivers dependable, cost-effective solutions that strengthen operations and connect businesses to their audiences.

Environment

Frequent hardware disposal and inefficient ICT systems contribute to rising e-waste. Otrava Technologies promotes repair, upgrades, and sustainable tech practices to reduce environmental impact while improving performance.

Business Impact

- Scalable websites for SMEs and NGOs
- Reliable ICT support for hardware and networks
- Strong digital branding for competitive positioning

Social Impact

- JAWS-based ICT training for the visually impaired
- Inclusive file navigation and screen reader setups
- Affordable digital skills workshops for youth

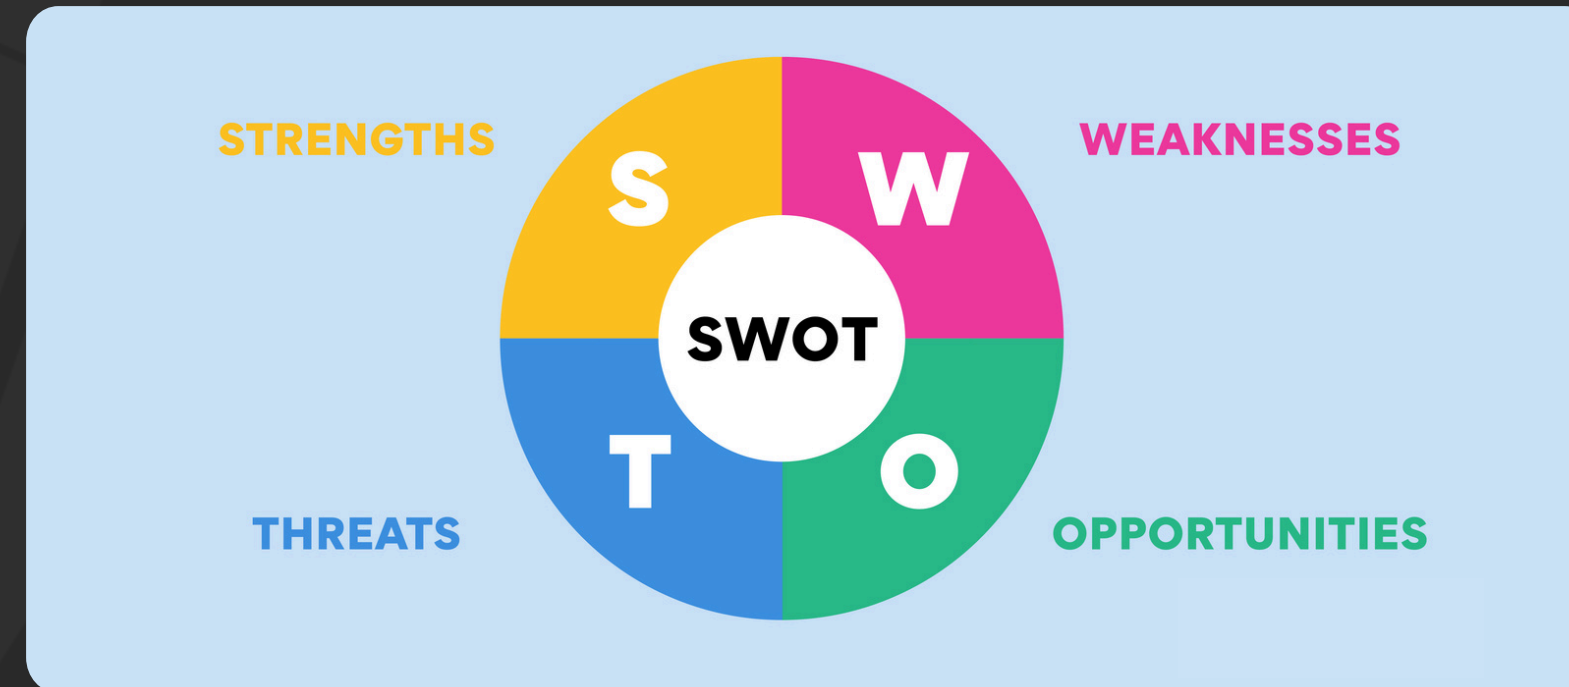

80% More Efficient

Our Impact & Solutions

Otrava Technologies provides reliable, affordable ICT services that help businesses grow and compete. Our scalable websites, hardware support, and branding boost organizational success, while inclusive training and assistive technology empower visually impaired individuals and youth, promoting digital skills and social inclusion across Zambia.

SWOT ANALYSIS

Strengths

- Broad ICT services, including AI tools.
- Inclusive tech for the visually impaired.
- Affordable, high-value pricing.
- Client-focused, tailored solutions.

Weaknesses

- Small team size.
- Limited rural reach.
- Internet dependency.
- Ongoing staff training needed.

Threats

- Cybersecurity challenges.
- Price competition.
- Poor rural internet.
- Rapid tech changes.

Opportunities

- Growing cloud service demand.
- Government and NGO partnerships.
- Rising AI marketing use.
- Online accessible learning growth.

OUR SERVICES

Website Design & WordPress Development

We design and develop responsive, visually appealing websites tailored to your brand, optimized for performance and easy management using WordPress.

Computer & Laptop Repairs

Our skilled technicians provide fast, reliable repairs for computers and laptops, ensuring your devices run smoothly and minimize downtime.

Networking & CCTV Installation

We install secure and efficient network systems along with professional CCTV setups to enhance your business connectivity and security.

Graphic Design & Branding

Our creative team crafts compelling branding and graphic design solutions that help your business stand out and engage your target audience.

Resume Writing & Document Formatting

We offer expert resume writing and document formatting services to showcase your qualifications clearly and professionally.

Assistive Technology Training (JAWS for the Blind)

Through hands-on training, we empower visually impaired users to confidently use JAWS screen reader technology for improved digital access and independence.

Data Recovery & Backup Solutions

We provide dependable data recovery and backup strategies to safeguard your critical information against loss or damage.

PRODUCT PORTFOLIO

Our offerings are tailored to businesses, NGOs, and individuals seeking reliable tech solutions:

- Personal, business, and e-commerce websites
- Social media and print branding kits
- Screen reader–optimized digital resources
- Customized ICT training programs
- Data security and recovery packages

DEVELOPMENT TIMELINE

**INNOVATE.
DESIGN.
EMPOWER**

2024

Company Foundation Established

In 2024, Otrava Technologies officially launched and completed all necessary registrations with PACRA and ZRA to operate legally in Zambia.

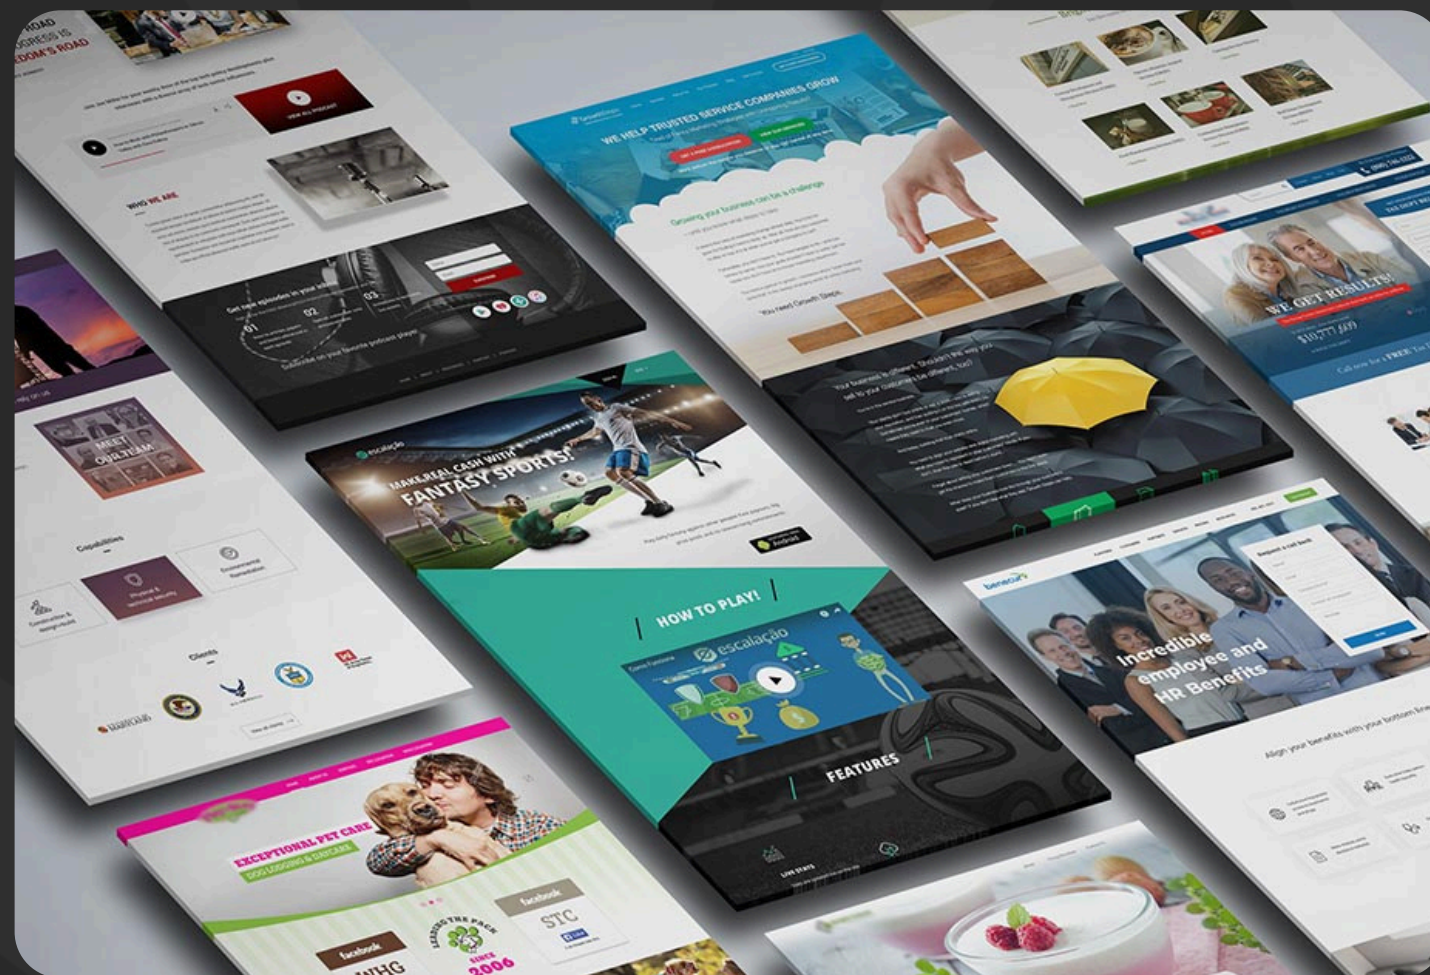

2025

Client Base Growth

By 2025, we successfully served over 100 clients locally and internationally, including projects for clients in South Africa, while expanding our presence to the Copperbelt region beyond Lusaka.

DEVELOPMENT TIMELINE

2026

Branding Services Launch

Branding & UI/UX Expansion

In 2026, we continued delivering expert branding services across Zambia, while expanding our offerings to include innovative UI/UX app design for modern digital experiences.

2035

Assistive Tech Expansion

By 2027, we scaled our assistive technology programs to reach visually impaired individuals nationwide, increasing digital accessibility and inclusion.

MARKET SIZE

Zambia's ICT sector is rapidly expanding, fueled by growing digital transformation needs across businesses, institutions, and individuals. As an online startup with no geographic boundaries, Otrava Technologies is uniquely positioned to tap into both local and international markets, leveraging technology to deliver scalable services beyond Zambia's borders.
